

SOCIAL SECURITY MEET AT RUSSELLVILLE

Generous Response To UNICEF Reported Here

The Halloween Treats for UNICEF program was a very successful venture, the Putnam County Council of Churches reports. Both the local and national committees for UNICEF express their heartfelt appreciation to the many, many generous contributors here. While the final results are not yet available, \$422.89 has already been turned in by UNICEF treaters, as compared with a final total of \$348 last year.

The coins collected on Halloween will help the United Nations Children's Fund to continue its aid to over 500 projects for needy children and mothers in 116 countries. Each penny received will have long range effects in terms of help and hope. Local contributions alone could pay for more than 211 thousand glasses of milk! And boys and girls from all fifty states campaigned for UNICEF in over 12 thousand communities.

Participating church groups in Putnam County were from: the Fillmore Methodist and Christian Churches, Brick Chapel Methodist, Roachdale Presbyterian, Bainbridge Methodist and Christian Churches, Reelsville Methodist, Big Walnut Baptist, in Russellville the Christian Church and the United Church of Christ, and in Greencastle First Baptist, Bethel A.M.E., Sherwood Christian, the Presbyterian Church, and Gobin Methodist. The Greencastle High School Y-Teens joined the campaign for the first time this year. Pledges of Sigma Nu fraternity and several other college students also collected and contributed. The Lions Club, under Mr. Paul Lehe, assisted in the administrative chores. The campaign was directed by the Youth Committee of the Putnam County Council of Churches, the Rev. Charles Davis, chairman.

Libel Suit Is Filed By Fields

INDIANAPOLIS UPI—Sheriff Robert H. Fields filed an \$834,489 libel suit against Indianapolis Newspapers, Inc. Friday in connection with a series of articles in the Indianapolis Star.

The suit charged that a series of 15 articles since Oct. 27 on treatment of prisoners in the Marion County Jail were "willfully and maliciously contrived" to damage his character.

Fields last Monday served written notice on the firm that he intended to file the suit unless a retraction was published by the Thursday edition.

Plan Will Save Money For Indiana Employers

INDIANAPOLIS UPI—State Treasurer Jack New said Friday he had received notice of approval by the U. S. Treasury Department of a plan expected to save Indiana employers as much as \$10.8 million next year. The plan, as developed by Governor Branigin, Employment Security Director Lewis Nicolini, and New, involved a transfer of \$4.3 million from Indiana's employment security

Local Boy Gets Service Medal

USS MIDWAY — Seaman Stephen A. Robertson, USN, son of Mr. and Mrs. C. H. Robertson of Route 2, Greencastle, Ind., receives the U.S. Armed Forces Expeditionary Medal for his supporting role in combat operations off the coast of Viet Nam while serving aboard the attack aircraft carrier USS Midway, now operating out of Alameda, Calif.

The 62,000 ton carrier recently returned to Alameda after almost nine months of operations in the South China Sea with the U.S. Seventh Fleet.

As a member of the Midway's crew, he was instrumental in the success of the carrier's aircraft while conducting air strikes against Communist and Viet Cong forces in Viet Nam.

Orchestra Will Present Concert

DePauw University's eighty-first music season, drawing its best and largest audiences in history, introduces the university symphony orchestra in a concert next Wednesday.

The 62-member symphony will be under the direction of Professor Herman Berg in the 8:15 p.m. public concert in Meharry Hall.

For 18 students Wednesday night's performance will be their debut with the university concert orchestra.

Among the 18 are six Hoosiers: Lynn Murrell and Barbara Baldwin, Martinsville; Diane Haltom, Cloverdale; Edwin Williams, Lafayette; Mary Butler, Marion; and Katherine Warner, Muncie.

On Probation

Fred H. Briggs, 39, Chicago, Ill., changed his plea of not guilty to guilty when he returned to the Putnam Circuit Court Friday.

Judge Francis N. Hamilton placed the defendant on probation and ordered him to start making payments at the County Clerk's Office for support of his minor children.

Station Robbed

HAMMOND UPI—Burglars broke into the Monon Railroad depot Friday and carted away a safe containing \$2,500 worth of tickets and a device to make the tickets usable by dating them.

Mrs. Quinton Dies

Mrs. Mildred Quinton, wife of Amos Quinton, died Saturday morning at the Putnam County Hospital.

Funeral arrangements are in charge of the Whitaker Funeral Home.

Found Guilty

A jury in the Putnam Circuit Court found John R. Peterson, 25, guilty of escaping from the Indiana State Farm late Friday afternoon.

The case went to the jury shortly after 2 p.m. and the verdict was returned about four hours later.

Peterson was charged with leaving the Penal Farm last September 16.

Premier Returns

MALMOE, Sweden UPI — Swedish Premier Tage Erlander returned here Friday after what he viewed as a successful visit of a week to the United States with his wife. They toured Washington, New York, Detroit and Chicago.

Tornadoes Hit

CHICAGO UPI — Tornadoes slashed across northern Illinois and Indiana Friday night, killed one person, injuring 58 and leaving a damage toll estimated in the millions of dollars.

About 150 persons were believed homeless in the bitter chill windschurning in the tornado's wake. State, county and city police stood guard today sealing off damaged areas from potential looters.

Children were in school and housewives were preparing dinner when the skies turned black and the twisters struck. Hundreds of homes and businesses were destroyed.

"People were crawling out of the wreckage like flies," said Joseph Wozniak, a Joliet city official.

Hardest hit was the southwest edge of the Chicago area.

Calumet Area-Evansville Toll Road Being Studied

EVANSVILLE UPI — Robert S. Whitehead, chairman of the Indiana State Highway Commission, announced the state is considering the possibility of a feasibility survey of a toll road between the Calumet area and Evansville.

But Whitehead was not optimistic about the chances of such a survey being made.

"Too often a proposed toll road has not proven feasible and the commission has not gotten its money back," Whitehead said, referring to the fact that money spent for a study can be recovered only if the road is built.

Whitehead spoke at a meeting of Evansville's Future, Inc. He said the commission would

need more information from population centers along the proposed route as to whether such a road, roughly paralleling U.S. 41, would pay.

It was revealed recently that Gov. Edward Breathitt of Kentucky had approached Hoosiers about such a road connecting with a proposed pay highway in his state.

Two Hurt In Traffic Accident

Two persons were hurt and two autos badly damaged in a traffic accident near the Andy Stoner home southwest of Greencastle, at 1:30 Friday afternoon, Deputy Sheriff Paul Mason reported.

Cars involved were a 1964 Chevrolet driven by Vivian Hutcheson, Greencastle, Route 2, and a 1963 Rambler driven by James A. Brebner, 19, Cincinnati, Ohio.

Brebner was brought to the Putnam County Hospital where he was treated for lacerations and then released.

Mrs. Hutcheson suffered a bruised left arm and a sore chest.

Mason said Brebner will be charged with reckless driving. Damage was estimated at \$1,100 to the Rambler and \$900 to the Chevrolet.

Cloverdale Rites For Mrs. Sims

Mrs. Erma Marie Sims, 55, Plainfield, former Cloverdale resident, died Friday evening at the Memorial Clinic in Indianapolis.

She was born July 10, 1910 in Morgan County, the daughter of Sherman and Mearle Dawson.

Survivors are her husband, Berlin Sims; two daughters, Mrs. Barbara Bassett, Greencastle and Mrs. Betty Sample, Whiteland; four sons, Norman Sims, Greencastle, Kenneth of Clayton, Leon, Plainfield and Larry at home; one sister, Esther Cradick, Cloverdale; her father, Sherman Dawson, Monrovia; two brothers, Ivan, Paragon and George of Indianapolis; and twelve grandchildren.

Funeral services will be held Monday at 11:00 a.m. at the Whitaker Funeral Home in Cloverdale. Rev. James Palmer will officiate. Interment will be in Cloverdale Cemetery.

Calling hours at the funeral home in Cloverdale after 7 this evening.

Sr. High Marks Veteran's Day

A very fine program on the background and present significance of Veteran's Day was presented Wednesday at the Senior High School.

The Pledge of Allegiance was led by Stacia Chadd. Several patriotic and stirring musical numbers were presented by the band directed by Don Marketto. They were joined by the entire student body in group singing of the songs.

Two excellent speeches were given on the reasons for the need to pay respects to the veterans who have done so much for the country. The speakers were Dick Dean, a senior, and Lloyd Cooper, Vice-Principal and Social Studies teacher.

General Telephone Pays County Taxes

General Telephone Company has remitted \$15,113 to the Putnam County Treasurer in payment of its semi-annual installment of property taxes, according to James R. Cahoon, local manager.

Russellville has proclaimed Thursday night, November 18, Social Security Night. In view of the 1965 amendments to the Social Security Act, a public meeting has been arranged to bring information to the residents of the Russellville area and to assist them in filing applications that should be filed at this time.

The Town Board, the school, the churches, the news media, and other civic minded citizens have cooperated with the Terre Haute social security office in setting up plans for this special meeting. Primarily for the convenience of those who will be 65 years old or older within the next three months and who have not filed applications for social security, the program will also be of interest to all people desiring to learn more about the provisions of the Social Security Act. Recent changes in the law affect the definition of "disability", the amount of work required for social security insured status, the age at which widows' benefits can be paid, the coverage of tips as wages, the computation of farm earnings under the optional method, the coverage of self-employed physicians, the amount a retired person may earn and still receive social security checks, the amount of taxable earnings an individual can have, and many other things that are of importance to each individual.

The November 18 meeting will be held in the Russellville Gymnasium from 7:00 to 9:00 p. m. During the evening, speakers from the social security district office in Terre Haute will present visual aids, explain the various phases of the law, including health insurance, commonly referred to as "medicare," conduct an open question and answer period, and devote some time to group enrollment as well as to individual.

There's a hustle and bustle backstage and on stage at the Ancon Theater these nights as finishing touches are given to the Theatre Guild production "Call Me Madam," scheduled to open November 16 and continue through December 4.

Evelyn Robbins, wife of Dr. Thomas L. Robbins, Chief, Medical Service, Gorgas Hospital, is in the star role as Sally Adams, United States Ambassador to Lichtenburg. Ethel Merman scored a triumph in this characterization, allegedly based on a few pages from the life of Perle Mesta, the "Hostess with the mostest."

Mrs. Robbins was seen in the part of Aunt Eller in the 1964 United Fund production of "Oklahoma."

Offstage she is a substitute teacher in the Canal Zone Division of Schools, sings with the Balboa Union Church choir and was director, last year, of the Christmas pageant in that church. She is president of the Medical Wives Society, a member of the Pan-Caribbean Toastmistresses, and is the mother of four children whose names all start with the letter "K": Kim, Kathy, Karl, and Karen—

Kim is a freshman at DePauw University.

Mountains Changed On Map By Satellite

WASHINGTON UPI — The Space Agency said today its \$30 - pound Nimbus satellite moved a 10,000 - foot mountain 45 miles.

Nimbus, designed as a weather observer, was launched into a polar orbit on Aug. 28, 1964, and took 27,000 daytime and nighttime photographs before it stopped working because of a power failure.

Pictures were taken over Antarctica provided the U. S. geological survey with precise new information which caused it to make a number of changes on maps of the great southern continent.

One of the changes involved Mount Siple, a landmark which had been used by airplane pilots as an aid to navigation. As a result of Nimbus' photographs, it will appear 45 miles further west on new maps.

Thanks also to Nimbus two Antarctic mountain groups in two different locations have been resolved into one group in one location. The mountains had been sighted by separate land expeditions which had calculated different positions for them.

Nimbus also gave topographic engineers better definition of the contour and extent of the ice shelf in several Antarctic coast areas.

Dr. Hamilton Speaker At DePauw Chapel

America needs to "step up" sharply its exchange programs with Asian nations," the president of the University of Hawaii urged Friday.

Dr. Thomas H. Hamilton told DePauw students this country ought to set up "a carefully planned program" that would not only send students but also

politicians, professors, journalists, labor leaders and others to Asian nations.

Keynote for DePauw's student-sponsored Far East Week, Hamilton said "it is not necessary we like each other, but it is necessary we understand each other and how we'll react to one another."

Hamilton said an informal survey he authorized at the U. of Hawaii showed just how far apart the two cultures seemed to be.

Asians in his school characterized themselves as "mild, pleasant, passive and thoughtful of others' sensibilities." They categorized Americans as "over aggressive and materialistic," he said.

The 1936 DePauw alumnus said the recent surge in non-Western programs in American colleges and universities ought to be "extended and given full financial support."

It will be enormously difficult, Hamilton predicted, to find teachers to provide the boost for Asian studies, yet he called for heavier emphasis at all levels of higher education, the use of closed circuit television, films, and Asian studies in Adult Education programs.

Diet Is Fatal To Young Artist

CLIFTON, N. J. UPI — Designed to produce "a beautiful mind in a beautiful body," the severe religious diet produced death instead for a 24-year-old woman artist.

A grieving father and a county prosecutor today wanted to know why.

Mrs. Beth Anne Simon died of "acute malnutrition," nine months after embarking on a thrice-daily diet of brown rice, a cereal called kasha, and tea. She was buried Thursday.

The dead woman's father, attorney Samuel Wiener of Paterson, N. J., said she and her husband, Charles, 24, began the diet last February in connection with the practice of Zen Buddhism. He said her husband was told the religion and the diet would cure his migraine headaches.

But Simon, whose weight has plummeted from 135 to 105 pounds, still has the headaches, Wiener said.

Passaic County Prosecutor John Thevos ordered a thorough investigation. Sources said a grand jury inquiry might follow.

Medical officials said the 5-foot-4 Mrs. Simon weighed about 70 pounds when she died — 50 pounds less than she weighed when she began the diet.

Wiener said his daughter and her husband practiced Buddhism "to attain oneness with the universe and eliminate all diseases."

Neither of the two was regularly employed. Wiener said his daughter was an artist and her husband a writer.

Protest Rallies By Jap Leftists

TOKYO UPI — An estimated 75,000 leftists attended protest rallies throughout Japan today to demonstrate their opposition to a treaty establishing normal relations with South Korea.

Authorities said 26 persons were arrested in scattered clashes with police.

In Tokyo, almost 25,000 demonstrators jammed Central Station in an attempt to disrupt rail service.

Seek Cause Of Airliner Crash

SALT LAKE CITY UPI — The grim task of identifying 41 badly burned bodies pulled from the wreckage of a United Airlines jetliner continued today while ten teams of investigators sought the cause of the third Boeing 727 crash in 87 days.

United boosted the death toll in the Thursday night crash to 41 late Friday night after examination of bodies at a makeshift morgue revealed one more victim than the airline previously had listed.

The crash was the third since Aug. 16 by one of the sleek, medium-range Boeing 727s, which are powered by a cluster of three jet engines at the rear of the plane.

CAB investigators indicated because of the wide variations in the three crashes, it was unlikely the other 195 Boeing 727s would be grounded by the Federal Aviation Agency.

In Memory

In loving memory of my husband, Andrew Sanford, who passed away, Nov. 13, 1958. It is lonelier here without you. Sad and weary is the way, Life is not the same to me. Since you were called away. In my heart your memory lingers. Sweetly, tender fond and true. There is not a day dear husband I do not think of you.

Declarer took the first trick in dummy with the ♠ A of hearts and immediately returned a heart to make sure he could ruff his last heart in dummy. The opponents obligingly returned a heart to make declarer ruff in dummy at once.

South continued with three rounds of trumps, giving a trump trick to the queen. Afraid to return a club for fear that South would make the right guess, East returned the jack of diamonds.

Declarer took dummy's top diamonds, discarding a club from his hand. Since the dia-

monds had not broken favorably, South had to fall back on leading a club from the dummy. This gave the opponents two club tricks, and South was down one.

REFUSE TRICK

South makes the contract if he refuses the first heart trick. West continues with a heart to dummy's ace. Now South is in position to ruff his third heart in dummy at a time of his own choosing.

South draws two rounds of trumps and cashes the three top diamonds, discarding a club from his hand. Declarer next ruffs a low diamond, setting up dummy's last diamond.

Only now it is time to ruff the third heart in dummy. The ruff permits declarer to cash dummy's last diamond. South throws another low club, and the defenders can get the queen of spades and one club trick, but nothing else.

DAILY QUESTION
Partner opens with one no-trump (16 to 18 points), and the next player passes. You hold: S-A K 9 8 4 H-9 7 4 D-9 3 C-K 5 2. What do you say?

ANSWER: Bid three spades. Since you have 10 points in high cards, you know that the combined count is 26 to 28 points. This should be enough for game in spades, if partner has three or more spades; otherwise, it should be enough for game in no-trump.

The Social Security Administration is advising everyone who is within three months of age 65 or older to get his application filed now even though he has never worked at a job covered by social security or even if he is working and expects to continue to work. Russellville's Social Security Night will provide opportunity for these people to file their application without traveling to the district office and without losing a day's work. It is anticipated that a good crowd from Russellville and the surrounding territory will attend this meeting planned as a public service.

Optimistic Over Ike's Recovery

AUGUSTA, Ga. UPI — Physicians treating Gen. Dwight D. Eisenhower agreed today on an optimistic prognosis for his good recovery from two heart attacks suffered this week.

The doctors, however, expected that the former president would have to be in the nearby Fort Gordon army hospital for about two weeks before being moved to Walter Reed Army Hospital in Washington.

Doctors felt an appreciable shorter hospital stay was indicated than in 1955 when Eisenhower was hospitalized seven weeks in Denver recovering from a coronary thrombosis.

His heart trouble this time does not involve a thrombosis or clot, but a gradually developing myocardial infarction — caused by insufficient blood reaching the heart due to slowly narrowing blood vessels.

Doctors said Eisenhower was resting well receiving intermittent oxygen, anticoagulant drug to prevent clotting, sedation as needed and medicine "to control and prevent irregularities of heart rhythm."

the pleasure liner S. S. Yarmouth Castle as it cruised in the Bahama Islands today and its 545 passengers and crewmen began abandoning ship.

The Coast Guard said the 2,474-ton double-deck vessel was "burning badly" and that flames were spreading the length of the 379-foot long ship.

The ship's sister vessel, the Bahamas Star, and the Finnish motorship Finnpuul were standing by, taking aboard evacuees.

The Coast Guard said the Bahamas Star radioed that it had taken at least 10 seriously injured persons who could be picked up by helicopters. The Coast Guard said it would dispatch two helicopters to the scene, 120 miles east of Miami, at daybreak.

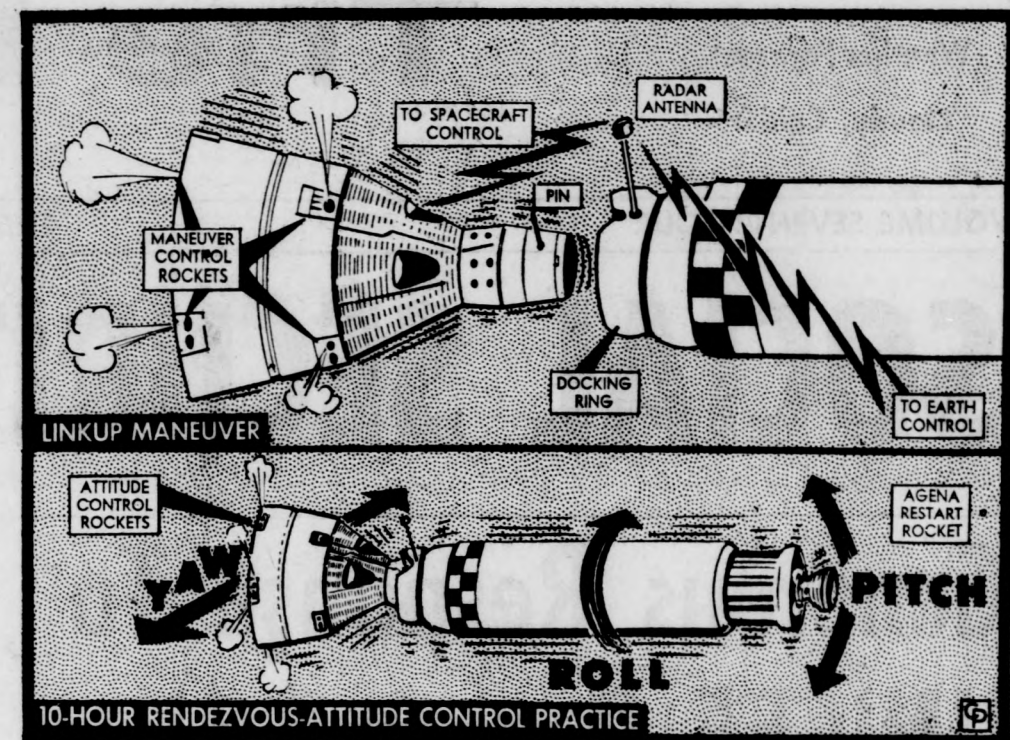

Passengers were being evacuated through a rear section of the Yarmouth Castle in order to escape the flames, the Coast Guard said.

There was no immediate word from the Coast Guard as to the cause of the fire.

Lower: Now, as a complete unit, the astronauts can use the attitude-control system (eight thrust rockets around side of spacecraft) to maneuver 90 degrees.

Says Astronauts Can Reach Mars

WASHINGTON UPI — Dr. Werner Von Braun, wants to drop 12 astronauts on Mars in 1984 and pick them up again, for the trip home, in 1986.

You could do this, Von Braun says in the November issue of Astronautics and Aeronautics, with Saturn 5 rockets like those now being developed to put two Apollo astronauts on the moon in 1969.

Von Braun is director of the National Aeronautics and Space Administration's Marshall Space Flight Center in Huntsville, Ala.

The Marshall Center designed the Saturn 5, a 36-story rocket whose first stage will generate 7.5 million pounds of thrust—enough to put 140 tons of payload into orbit. Its first flight is scheduled for 1967.

The accident occurred on Indiana 57 when a car driven by Mike Fowler, 19, Washington, collided nearly head-on with one driven by Mrs. Sue Robertson, 20, Washington. Both drivers were killed along with Mrs. Robertson's 2-year-old daughter, Penny Lynn.

Police said the Fowler car swerved into the Robertson vehicle on a curve. After the impact, the Fowler car hit a pole and the Robertson car plunged over a 20-foot embankment.

Injured were Linda Sue Tolbert, 19, Shoals, and Donnie Loveless, 19, Gieszen.

Planes Defended

NEW YORK UPI — The "integrity" of the Boeing 727 jetliner, three of which were involved in crashes since August, was defended Friday by an executive of Trans World Airline (TWA).

"Aside from the coincidence that all three flights originated in New York and were in various stages of approach or landing when the accidents occurred," TWA Senior Vice President R. M. Dunn said, "there is absolutely no pattern of similarity that would in any way raise doubts as to the integrity of the aircraft."

Rare Shillings

NEW YORK UPI — A shipment of 10,000 of the only five shilling pieces in existence that bear the likeness of Sir Winston Churchill arrived here Friday from London.

The collectors items, with face value of about 70 cents, were consigned to Gourmet Party Pantry, a mail order gift shop in Manhattan. The coins were struck in a limited number by the British royal mint.

About the size of a silver dollar, the coins carry an engraving of Churchill on one side and Queen Elizabeth on the other.

War Hero Wins Election Battle

MANILA UPI — President Diosdado Macapagal refused to concede today that his bid for re-election was defeated by Sen. Ferdinand E. Marcos, despite the fact nearly final returns gave Marcos a 600,000-vote edge.

With fewer than 1,000,000 votes remaining to be counted, official returns gave Marcos 3,187,943 votes to Macapagal's 2,595,200.

Sen. Fernando Lopez, Marcos' running mate, was leading Sen. Gerardo Roxas, No. 2 man on the Macapagal ticket, although the results in the separate vice presidential race was much closer than in the top contests.

Chairman Juan Borra of the election commission urged Macapagal to concede defeat to prevent disorders.

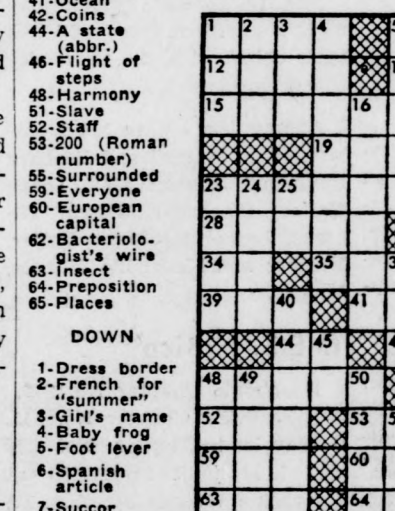

Observers here doubted however, that there was much likelihood of serious trouble even if Macapagal never concedes.

Mr. and Mrs. Malcolm Shonkwiler and family were weekend guests of his brother Marshall Shonkwiler and family in South Bend.

Mr. and Mrs. Archie Pingleton and their son Charles and family attended the open house at the Jones Elementary School in Greencastle Tuesday evening. The grandchildren Debbie and Sandi Pingleton and Dobie and Susan Frazier attend the Jones school.

Mrs. Frances Cunningham left this week end for Indianapolis where she will visit her daughters a few weeks and then go to her son Hugh and family to spend the winter.

Mr. and Mrs. Glenn Gosnell visited over the week end with Mr. and Mrs. Frank Chilcot at Newman, Ill.

The Community Service Club met Tuesday night at the home of Mrs. Marion Lawson. Officers were installed for 1966 as follows: Mrs. Louise Lents as President; Mrs. Becky Phipps, Vice - President; Marion Lawson, Secretary; and Opal Osborne, Treasurer.

Mrs. Shirley Baker, Mrs. Barbara Hess and Mrs. Louise Lents shopped in Indianapolis Tuesday. They bought material for robes for the junior choir of the Methodist Church. The mothers of the choir members will make the robes.

Mr. and Mrs. George Lents and family attended the wedding of Mrs. Lents' brother, Phillip R. Cloncs and Susan Lewis at Speedway City Christian Church Friday evening Nov. 5th. Miss Janet Lents registered the guests and her twin brothers Terry and Jerry received the wedding gifts at the door. A reception followed the wedding in the basement of the church. Later the bride and groom received their relatives and friends at the bride's home where she opened her gifts and refreshments were served.

Lucky Workman

CRAWFORDSVILLE UPI — A worker was pierced by a reinforcement rod when he fell from the top of a Holiday Inn construction site Friday but escaped with only minor injuries.

Officials said the half-inch rod went entirely through the chest of James H. Huffstrutter, 5, Lafayette, when he fell face down off the building project.

Seeks Cause For Mystery Death

WABASH UPI — Authorities said they hope results of an autopsy will shed some light on the mysterious death of a Fort Wayne man whose body was found in a desolate area along the Mississinewa River near here.

The body of a man identified as Edward Hines Jr., about 42, was found Thursday afternoon by Grant County Surveyor Robert Benedict and his son, who were hunting in the area.

Wabash County Sheriff Robert Watson said the victim, found lying beside a late-model car, had been dead from 5 to 10 days.

Authorities learned that Hines' wife, Laura, reported him missing to Fort Wayne police about Oct. 14.

An autopsy was performed on the body late Thursday, but the results may not be determined for some time, authorities indicated.

There was no visible indication that the victim met foul play.

Police said the body was clad only in two suit coats and a pair of trousers, which were pulled down to the knees. There were no socks or shoes.

Strike Continues

TERRE HAUTE UPI — Aluminum workers union members voted Friday to continue a strike at the Anaconda plant here.

Local 103 president Joseph Thomson said a company proposal for settling the seven-day walkout was the same one the union rejected last Sunday except for two minor clauses.

Arrest Clears Man's Murder

GARY UPI — A six-months mystery over the death of Jesse Munches, 52, a reputed gambler found dead in a land execution style, was believed solved with the arrest of a burglar, police said.

Gary detective chief Ed Barsley said a signed confession was received from Walter Jones, 25, Gary, when a ballistics test of bullets taken from Jones' gun showed they matched slugs found in Munches' body.

Munches was found dead in his home last May 1, a bullet in his head and another in his chest. Some investigators held to a gambling syndicate slaying, but most police probers believed a burglar killed him.

Jones was arrested when police fired tear gas shells into a downtown drug store where a patrolman found a burglar at work.

When ballistics test showed matching bullets, police questioned Jones intensively and said he admitted killing Jones while burglarizing his home.

Salvage Crews Raising Barge

BATON ROUGE, La. UPI — Salvage crews were raising with a huge derrick 600 tons of potentially lethal chlorine that went to the bottom of the Mississippi River on a barge during Hurricane Betsy two months ago. Hundreds of residents were evacuated or left voluntarily as a precaution.

Army Engineers, in charge of the operation, reported that all was going well. Within 30 minutes after the lifting started, the barge was a foot off the Mississippi's muddy bottom and coming up, slowly but surely.

The Coast Guard stopped all river traffic above and below the lift site. Authorities had told the 164,000 residents of Baton Rouge that there was little danger of the four tanks of chlorine breaking and releasing a cloud of chlorine gas.

The U. S. engineers expected it to take at least eight hours to get the barge all the way to the surface.

Reports Of Jury Due Next Week

INDIANAPOLIS UPI — Marion County Prosecutor Noble Percy said that grand jury reports on a securities industry investigation and another on conditions at the county jail will not be ready before next week, if then.

Percy said the regular grand jury report will be presented Monday afternoon to Marion County Criminal Courts but will not include findings from either of the two investigations.

Percy said the report on a study of jail conditions probably will be made "sometime later next week."

He said Deputy Prosecutor

Leroy New today is examining Securities and Exchange Commission records relating to the Investment Corporation of America and he is not certain when this study will be completed.

Among other major cases before the jury is the torture death of Sylvia Likens, 16.

Foreign News Commentary

By Phil Newsom

By United Press International
In the glass-encased, upended match box which is the headquarters of the United Nations, world diplomats once again are arguing the merits or demerits of membership for Red China.

It is a ridiculous debate, and perhaps even purposeless. For in the end there is no certainty that Red China would accept membership if offered and might even prefer to attempt to humiliate the world body by ignoring it.

Generally, it is conceded that if not this year, then next year or the year after, supporters of Red China's entry into the U.N. will muster a sufficient number of votes.

But the facts of the case either demand that the debate be dropped or that its promise undergo a major change.

The facts are that the United Nations Charter pledges each member nation to the settlement of all disputes by peaceful means. But Red China actively promotes world revolution by violent methods and rejects peaceful co-existence except on its own terms.

This is the principle upon which the United States bases its chief objection to Red Chinese membership.

On the other hand, when the United Nations came into being after the close of World War II, its planners deliberately set up a Security Council which would be the watch dog of world peace and whose decisions would be binding upon all member nations.

As permanent members of the council they named the United States, the Soviet Union, Britain, France and China, each with a veto power. Presumably, these were the major

powers upon whom responsibility for world peace would rest.

Through the events of 1949 which drove the Nationalist Chinese from the mainland and confined them to the island of Formosa, the Nationalists today scarcely can qualify as a world power. Yet they continue to hold a seat and a veto in the Security Council.

Promoters of a seat for Red China base their case on the undoubted fact that it is a power in being and, regardless of the U. N. charter, must be recognized.

Now! '66 Chevelle Malibu by Chevrolet

'66 Chevelle Malibu Sport Coupe (foreground) and new 4-door Malibu Sport Sedan.

Two racy new hardtops

Take your pick of 12 racy-looking new Chevelles in all, including a clean-sculptured new sport coupe with recessed rear window, and—for the first time—a 4-door Chevelle Sport Sedan.

Not only will you find more variety in the '66 Chevelle lineup, but even more of what makes a Chevelle a Chevelle.

Say, for instance, you pick a new Malibu Sport Sedan and specify the new 220-hp V8. You've got yourself quite a machine.

Or pick a Malibu Sport Coupe, equip it with the new Strato-bucket front seats and order the new 275-hp V8. You've got yourself even more machine.

Or maybe you'd like to pick a new black-grilled SS 396 Coupe or Convertible. (Standard engine is a Turbo-Jet 396 V8 with 325 hp. And there's also a 360-hp version you can specify.) Now you've got yourself the most.

Which '66 Chevelle for you? The answer to that covers a lot more ground than we can here. And that's where your Chevrolet dealer comes in.

Action in last night's "game of the week" found an estimated 2100 people viewing one of the hottest b-ball rivalries in county history, Cloverdale and Fillmore. Shown at the left is remarkable Rod Hervey, who led the Clovers to the 69-67 victory of the Cards, popping in the first shot of the game. Cloverdale Squeaks By Fillmore In Close Battle; Clovers Run Victory String To Three

By Frank Puckett, Jr.
Banner Sports Editor

Putnam County is still very much in the Clover as was proven last night when the dominate Cloverdale Clovers secured their third consecutive victory of the year by edging Fillmore, 69-67.

A more than capacity crowd jammed the little Fillmore gymnasium that originally was made to hold 1700 people. An estimated 2100 people stood in hallways, on or beside railings, and hung from the rafters while the two old county rivals renewed acquaintances.

The Cardinals managed to hold onto a slight two point lead during the first minutes of the hot contest while big 6-8 Wayne Bright and 6-4 Glaze cleared the boards. But rebounds wasn't enough for the home Cards as the hustling Clovers whipped their way into

the ballgame, never letting the Cardinals get more than a two point lead.

With 2:07 on the clock in the first period big Bright picked up his third foul and left the ball game for the first time. Neither team seemed to slow up when the big boy left the floor and a tight first period ended with the Cards up two.

Robinson and Glaze pumped in two quick buckets at the start of the second quarter while the Clovers only managed one bucket by Stallcop, giving them a 20-16 lead, the biggest margin of the game.

The clock had ticked off 56 seconds and Clover pivot man, Roy Sandy picked up his fourth personal foul. Clover mentor, Jim Miller, called time-out and switched his offense by moving Hervey from guard to the pivot position. The versatile Hervey didn't wait around for action to come his way as he popped in four points in less than sixty

seconds to close the Cardinals margin that was now two, 22-20. Substitute Clover Ford made his varsity debut by rolling down the middle on a controversial play and dropping in an easy two and the Clovers were tied with the Cards 22-22.

Ford added another bucket to the hysteria and Fillmore Coach Darrell Hoyer called on his big man to get the Cards on the move again.

Bright pulled off three quick rebounds and stuffed in a couple of buckets with two minutes after returning to the ballgame and the Cards held the slim lead again, 28-26.

After trading buckets and free throws the two rivals ended a hot first half with the Cards managing a three point margin, 36-33.

A topsy-turvy third period of action caught the Clovers taking advantage of the breaks and pulling into the lead. Hervey led the visiting pack by

stealing four passes and drawing a personal foul on big Bright, his fourth of the game.

Hervey hit the disputed foul shots and the Clovers boomed ahead 45-44 with 3:59 showing on the clock.

The Cards couldn't manage to catch the hot Clovers and a furious third quarter ended with the Clovers in command 56-55.

Bunten and Glaze combined in the fourth for a couple of fast buckets and the Cards slipped into the lead, 59-58. But agile Clover Rod Hervey pulled the boys from down south back into the game with two free throws before the Cardinals could make a rally materialize.

Bright entered the game again (carrying four fouls) and quickly led the Cards back to a 61-60 lead. Just when it looked like maybe the Cardinals might have the chance to grab a big lead the game exploded.

The fire came from hustling Rod Hervey, who also supplied the gun powder by blasting him and the Clovers into a 64-61 lead with 3:55 remaining in the

game. The Cards managed to come back on a free throw and a ten footer by Glaze but the determined Clovers captured the two point lead that they won by and held it for the last minute and fifty-six seconds to beat out the Cards, 69-67.

The Cards are now 0-1 while the Clovers boast a 3-0 record. Hervey paced the Clovers with 20 points while Glaze and Bright picked up 20 apiece for the Cardinal cause.

Russellville Downs Staunton In Hard Fought Contest, 74-68

By Bob Simmerman

Russellville played host to Staunton last night to win their first game of the season with a score of 74 to 68.

With two of the Bees top players in Washington, D. C., the third quarter found the Bees with a four point edge 52 to 48. The fourth and hottest

boys played remarkably well."

With the score running 15 to 15 at the end of the first quarter the Bees entered the half with a one point edge over Staunton with a score of 32 to 31. The third quarter found the Bees with a four point edge 52 to 48. The fourth and hottest

quarter of the game ended with a score of 74 to 68 giving Russellville the first victory thus far this year.

The two team members missing in last night's action was the two Carrington boys, Coach Sheese, along with the rest of the team are hoping the two will be back next week.

The Bees next game will be on their home court against Waynetown Friday, November 19.

Holds Lead

SAN ANTONIO UPI — Marlene Hagge, riding a hot streak that has carried her to the third spot in tournament winnings this season, today took a one-stroke lead into the second round of the Alamo Ladies Open golf tournament.

Mrs. Hagge, winner of two of the last three tournaments on the LPGA spur, cruised around the demanding Pecan Valley Country Club course Friday in one-under par figures 36-35-71.

Braves Move Still Disputed

NEW YORK UPI—The issue under discussion was the shift of the Braves from Milwaukee to Atlanta, but Ford Frick's testimony Friday was commentary on the decline of the baseball commissioner's position.

Time and again the 70-year-old Frick, who will retire as soon as the club owners find a replacement, intoned that the commissioner has no authority over the transfer of a franchise.

"I think he has no authority whatsoever, except the inclusion he has for persuasion," Frick said.

Then came A. B. (Happy) Chandler and the emasculation of the office by the owners began. Today the owners have made the commissioner of baseball little more than a public relations man.

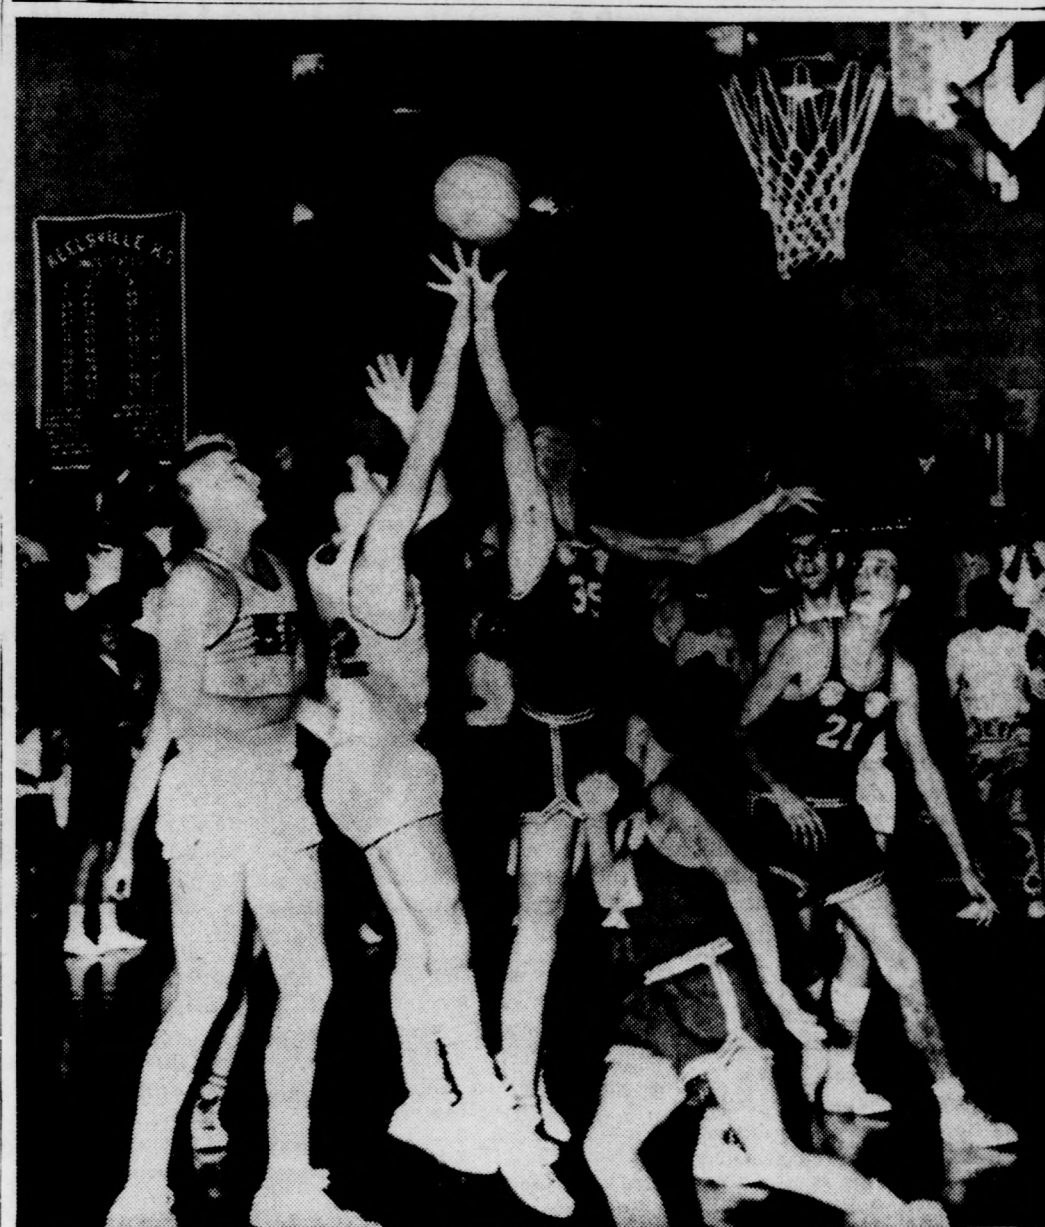

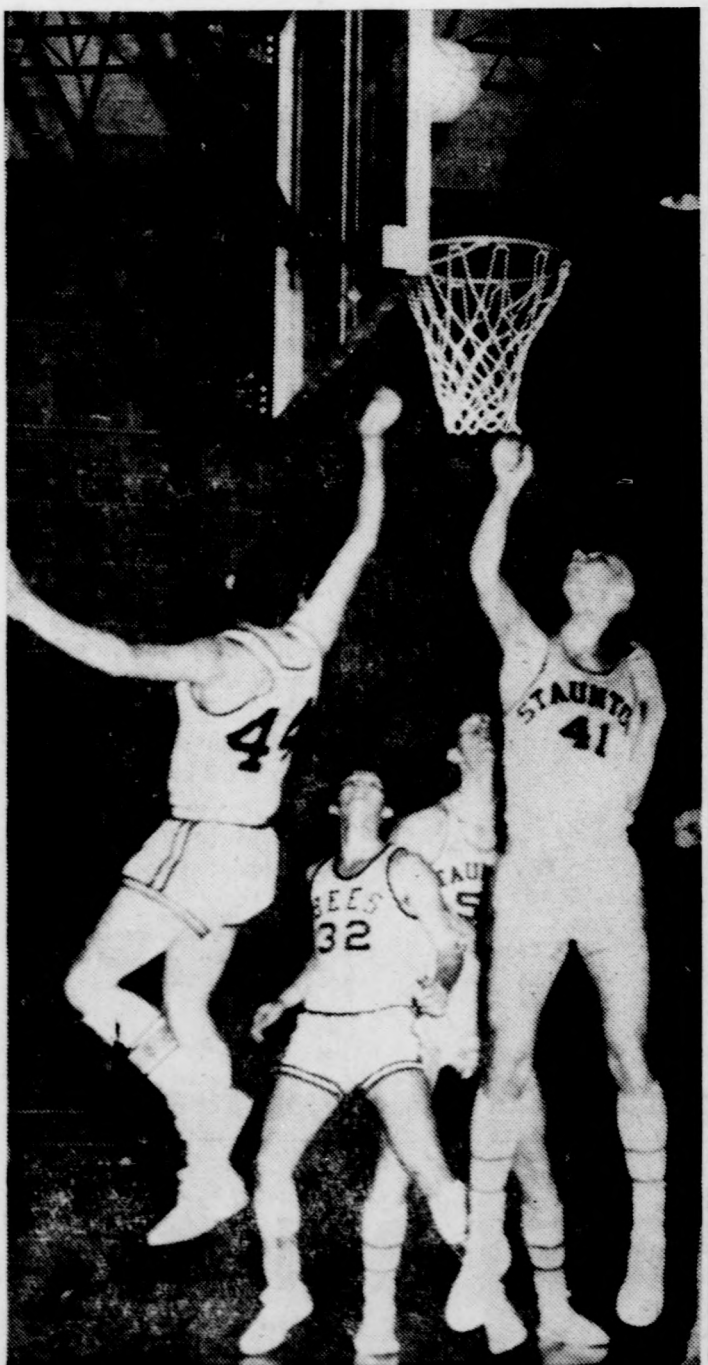

Frick faced a battery of concerned parties from the city of Milwaukee and the state of Wisconsin. His statements were in a sworn deposition and in answer to questions.

He said the shift of a franchise was purely a league matter.

He said a club owner's primary responsibility was to himself, not to the fans.

Reelsville Indians Edge Patricksborg, 56-54

By W. C. Kendall

Reelsville and Patricksborg staged a real barn-burner last night at Reelsville with the host Indians emerging with a close 56-54 victory.

First period action for Patricksborg went well with the Bulldogs holding their own. Strong came on with hot hands in the second quarter to boost the Bulldogs attack and give them a half-time lead of 27-19.

In the action packed second half, Patricksborg still led at the ¾ mark 40-30. Callahan and Irwin, Indian guards, really poured it on to lead the Indians fourth quarter attack and pulled within two points of the Bulldogs 44-46.

Gibbs, Reelsville forward, picked up two from the charity

stripe and knotted the score at 46 all. Working from a close man-to-man defense, Irwin hawked the ball and Reelsville lead 48-46.

Not to be denied, Patricksborg's Froman tied the score for the Bulldogs at 48-all with a quick 15-footer. Gibbs hit from under for the Indians and big Joe Williams picked up two free-throws to give Reelsville a 52-48 lead with 1:25 on the clock.

True of their name, the Bulldogs fought back to knot the score at 52 all. Spoiler Irwin took command again, after a Pats basket, and blasted the nets for the Indians again.

Clark picked off a rebound and Indian guard Irwin blasted a 30-footer that iced the

game for the Indians. Williams intercepted a last second pass by the Bulldogs and the game ended with the Indians on top, 56-54.

Irwin and Callahan were top scorers for Reelsville with 19 and 10 points each. Strong and Froman put forth best efforts for the Bulldogs with 19 and 18 points respectively.

The Indians will host North Salem tonight on the home floor.

Performance, not pedigree, is your passport.

This message is dedicated to the building of a more spiritual and a greater church going community under the auspices of the Greencastle Ministerial Association and is being sponsored by the following individuals and business firms who want, as their only return, to see more people attending church. The church needs your support. The community needs the church.
